

AUSTRALIAN SOLOMONS GOLD ANTICIPATED DELAY IN PROJECT DEBT FINANCING

THIS NEWS RELEASE IS NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

(TSX:SGA) TORONTO, Ontario (October 16, 2008) - Australian Solomons Gold Limited (“ASG” or the “Company”) today announced delays in securing project debt financing for the redevelopment of the Gold Ridge Project.

The anticipated delay is a direct result of the global credit crisis currently being experienced in the banking and financial markets. The delays in securing project debt financing will postpone the previous estimate on commencement of production at Gold Ridge scheduled for Q1 2010 to a later date. ASG will provide advice on a revised development and production schedule when a level of certainty has returned to the banking and financial markets

The Company continues to work with its banks and finance institutions to secure a syndicate of lenders to provide project debt finance for the redevelopment of the Gold Ridge project.

The company still enjoys the full support of the all stake holders and will continue to work with all parties to ensure the redevelopment at the earliest possible time.

About ASG

ASG is developing the Gold Ridge Project, a former producing mine, located on Guadalcanal in the Solomon Islands. The mine operated from August 1998 to June 2000 and produced approximately 210,000oz gold during this period. ASG acquired the project in May 2005 and has completed a Feasibility Study to redevelop the Gold Ridge Project.
